MANAGEMENT INFORMATION CIRCULAR

Solicitation of Proxies

This information circular (the “**Circular**”) dated March 13, 2017 is furnished in connection with the solicitation by Management of Enbridge Income Fund Holdings Inc. (the “**Corporation**”) of proxies from holders (“**Shareholders**”) of common shares (“**Common Shares**”) of the Corporation for use at the annual meeting (the “**Meeting**”) of the Shareholders to be held on Thursday, May 11, 2017 at 10:00 a.m. (Calgary time) in the Lecture Theatre, Metropolitan Conference Centre, 333 – 4th Avenue S.W., Calgary, Alberta and at any adjournment thereof, for the purposes set out in the accompanying notice of the Meeting (“**Notice of Meeting**”). Solicitation of proxies will be primarily by mail but may also be by telephone, facsimile, electronic mail or oral communication by the Directors and by officers of Enbridge Management Services Inc. (the “**Manager**”). The cost of such solicitation will be borne by the Corporation and reimbursed by Enbridge Commercial Trust (“**ECT**”).

The Corporation will be utilizing “notice and access” for this Meeting and will not be sending proxy-related materials directly to beneficial owners of Common Shares. Proxy-related materials can be accessed at: www.meetingdocuments.com/cst/enf or on SEDAR at www.sedar.com. The Corporation has also elected to use the “stratification” process under “notice and access”, such that paper copies of the proxy-related meeting materials, audited financial statements and Management’s Discussion & Analysis (“**MD&A**”), both for the year ended December 31, 2016, will be mailed to registered holders of Common Shares while beneficial owners of Common Shares (both “**OBOs**” and “**NOBOs**”) will receive a “notice and access” notice containing certain prescribed information and a voting instruction form. Beneficial owners of Common Shares who have specifically requested proxy-related materials or financial statements and MD&A, either from the Corporation directly or through the Supplemental Mailing List maintained by the Corporation, will receive paper copies of the requested materials. The terms used in the preceding sentence are as defined in National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*.

Appointment and Revocation of Proxies

The persons named in the accompanying form of proxy are a Director and an executive officer of the Corporation. **A Shareholder who wishes to attend the Meeting and vote in person must write his or her name in the place provided for that purpose on the form of proxy. A Shareholder can also write the name of someone else (who is not required to be a Shareholder) whom he or she wishes to attend the Meeting and vote on the Shareholder’s behalf.** Unless prohibited by law, the person whose name is written in the space provided will have full authority to present matters at the Meeting and vote on all matters that are presented at the Meeting, even if those matters are not set out in the form of proxy or the Circular. Such Shareholder should notify the nominee of his or her appointment and instruct the nominee on how the Shareholder’s Common Shares are to be voted. A Shareholder should consult a legal advisor if he or she wishes to modify the authority of that person in any way. For assistance, contact CST Trust Company at 1-800-387-0825 or 1-416-682-3860 or by facsimile to 1-888-249-6189.

A proxy will not be valid for the Meeting or any adjournment thereof unless it is signed by the Shareholder or by his attorney authorized in writing or, if the Shareholder is a corporation, it must be executed under corporate seal or by a duly authorized officer or attorney of the corporation and delivered to the Corporation, c/o CST Trust Company, the Registrar and Transfer Agent of the Corporation, at P.O. Box 721, Agincourt, Ontario M1S 0A1, Attention: Proxy Department, not later than 10:00 a.m. (Calgary time) on May 9, 2017, or if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and statutory holidays in the Province of Alberta, prior to the time of the adjourned Meeting.

Shareholders whose Common Shares are registered in their names may also vote their shares using a touch-tone telephone by calling 1-888-489-5760 (toll-free) or through the internet at www.cstvotemyproxy.com. If voting by phone or on the internet, please follow the instructions carefully and ensure that you have your proxy in hand as you will be required to enter the control number located on the proxy. Your vote must be received not later than 10:00 a.m. (Calgary time) on May 9, 2017, or if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and statutory holidays in the Province of Alberta, prior to the time of the adjourned Meeting. **If you wish to attend the Meeting in person or appoint someone else to attend on your behalf, you must do so either by the internet or by mail.** The telephone voting service is not available for this purpose.

A Shareholder who has given a proxy may revoke it, in any manner permitted by law, including by instrument in writing, executed by the Shareholder or by his or her attorney authorized in writing or, if the Shareholder is a corporation, executed by a duly authorized officer or attorney of such corporation and deposited with CST Trust Company, at the address specified above at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who do not hold Common Shares in their own name (“**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holder of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the majority of Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and other intermediaries are prohibited from voting Common Shares for their clients. Therefore, **Beneficial Shareholders should ensure that the instructions regarding the voting of their Common Shares are communicated to the appropriate person on a timely basis.**

Applicable regulatory policy in Canada requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholder meetings. Each broker or other intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. In some cases, the voting instruction form provided to Beneficial Shareholders by their broker or other intermediary is very similar, even identical, to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (the broker or other intermediary, or an agent thereof) on how to vote on behalf of the Beneficial Shareholder. Most brokers now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically prepares a machine-readable voting instruction form which is mailed to Beneficial Shareholders with a request that Beneficial Shareholders return the forms to Broadridge or follow specified telephone or internet-based voting procedures. Broadridge then tabulates the results of the voting instructions received and provides appropriate instructions regarding the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge or voting instructions communicated to Broadridge well in advance of the Meeting in order to have such Common Shares voted at the Meeting.**

Beneficial Shareholders who wish to attend the Meeting and vote their Common Shares must do so as proxyholder for the registered Shareholder. They should contact their broker, agent or other intermediary well in advance of the Meeting for specific instructions on how to do so. Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker or other intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote his or her beneficially-owned Common Shares in that capacity. If a Beneficial Shareholder wants to attend the Meeting and vote in person, he or she must write his/her name in the place provided for that purpose in the voting instruction form. The Beneficial Shareholder can also write the name of someone else whom he or she wishes to attend the Meeting and vote on behalf of the Beneficial Shareholder. Unless prohibited by law, the person whose name is written in the space provided will have full authority to present matters at the Meeting and vote on all matters that are presented at the Meeting, even if those matters are not set out in the voting instruction form or the Circular. A Beneficial Shareholder should consult a legal advisor if he or she wishes to modify the authority of that person in any way. For assistance, contact your broker, agent or other intermediary.

Voting of Proxies

All Common Shares represented at the Meeting by a properly executed proxy will be voted on any ballot that may be called for, and where a choice with respect to any matter to be acted upon has been specified in the proxy, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with such specification. **In the absence of any such specification or instruction, the persons whose names appear on the form of proxy, if named as proxies, will vote in favour of all of the matters set out in the Notice of Meeting.**

The enclosed form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. As of the date hereof, Management is not aware of any amendments, variations or other matters to be presented for action at the Meeting. If, however, amendments, variations or other matters properly come before the Meeting, the persons designated in the form of proxy will vote thereon in accordance with their judgment pursuant to the discretionary authority conferred by such proxy with respect to such matters.

VOTING SHARES AND PRINCIPAL HOLDERS

The Corporation has authorized capital consisting of an unlimited number of Common Shares, First Preferred Shares, issuable in series and limited to one-half of the number of Common Shares issued and outstanding at the relevant time, and one Special Voting Share. As at March 13, 2017, an aggregate of 124,463,693 Common Shares, no First Preferred Shares and one Special Voting Share were issued and outstanding as fully paid and non-assessable.

Shareholders of record as of the close of business on March 23, 2017 are entitled to receive notice of and vote at the Meeting on the basis of one vote for each Common Share held, except to the extent that a registered Shareholder has transferred the ownership of any Common Shares, subsequent to March 23, 2017 and the transferee produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than 10 days before the Meeting, that his or her name be included on the Shareholder list for the Meeting, in which case, the transferee shall be entitled to vote his or her Common Shares at the Meeting. The transfer books will not be closed.

Pursuant to a Governance Agreement entered into effective September 1, 2015 between the Corporation and Enbridge Inc. (“**Enbridge**”), Enbridge has the right to nominate an independent member of the Enbridge board of directors for election to the Board of Directors of the Corporation (“**Board**”) when Enbridge and its affiliates beneficially own 19.9% or more of the Common Shares. Enbridge has nominated John K. Whelen for election to the Board at the Meeting. As the holder of the Special Voting Share, Enbridge is entitled to receive notice of and to attend the Meeting, and at its option, to elect one Director for so long as it beneficially owns or controls, directly or indirectly, between 15% and 39% of the issued and outstanding Common Shares. If Enbridge exercises its right to elect one Director, it will not exercise the votes attaching to the portion of its Common Shares representing its pro-rata representation on the Board in respect of the election of the remaining Directors at the Meeting. Therefore, if Enbridge exercises its right pursuant to the Special Voting Share to elect J. Richard Bird as a Director, it may only vote 6,989,218 Common Shares in respect of the election of the remaining Directors.

To the knowledge of the Directors and of the senior officers of the Manager, the following sets out the only persons, firms or corporations, owning of record or beneficially, controlling or directing, directly or indirectly, 10% or more of the issued and outstanding Common Shares:

Name	Type of Ownership	Number of Common Shares Held	% of Common Shares Owned
CDS & Co.	Of Record	99,693,947	80.1%
Enbridge Inc.	Of Record and Beneficial	24,769,746	19.9%

EXECUTIVE COMPENSATION

In the financial year ended December 31, 2016, Perry F. Schuldhuis was the President of the Corporation and Wanda M. Opheim was the Chief Financial Officer of the Corporation (collectively, the “**Named Executive Officers**”). The Named Executive Officers are also senior officers of the Manager and employees of Enbridge. The Corporation did not have any other executive officers or employees. Certain management and administrative services are provided by the Manager or its affiliates through a management and administrative services agreement. See “*Management Contract*”. No compensation was paid to the Manager by the Corporation in the most recently completed financial year.

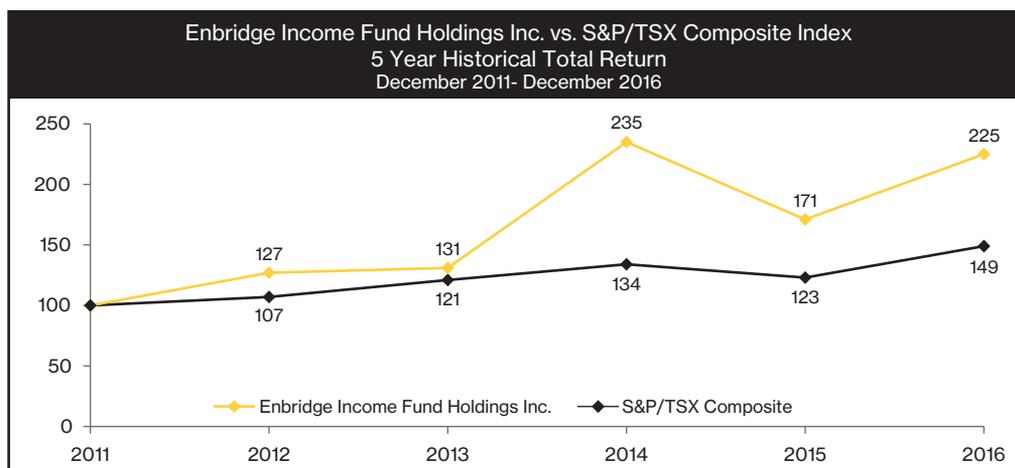

Effective February 27, 2017, the officers of the Corporation were Perry F. Schuldhuis (President), Patrick R. Murray (Vice-President, Finance), Wanda M. Opheim (Treasurer) and Allen C. Capps (Controller). All are senior officers of the Manager and employees of Enbridge Inc. or of an affiliate of Enbridge Inc. and their services are provided to the Corporation pursuant to the management and administrative services agreement referenced above.

The officers and directors of the Manager are also employees of Enbridge and their time is not dedicated to the affairs of the Corporation. The Named Executive Officers and the other officers of the Manager do not receive compensation in respect of the services they provide to the Corporation. Their compensation is determined and paid exclusively by Enbridge in their capacity as employees of Enbridge and no portion is allocated or attributed to the services they provide to the Corporation.

The Corporation does not grant any share-based or option-based awards nor does it maintain any equity or non-equity incentive compensation plans, pension plans or other benefit plans for its Directors and executive officers. Executive officers and Directors are prohibited from purchasing financial instruments (including forward contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in the market value of the Common Shares.

Performance Graph

The following chart compares the total return (assuming reinvestment of dividends) for an individual who invested \$100 in Units on December 31, 2011 (and held Common Shares on December 31, 2016) with the cumulative total return of the S&P/TSX Composite Index for the five year period ended December 31, 2016.

The ability of the Corporation to declare and pay dividends on the Common Shares is wholly-dependent on the declaration and payment of distributions by Enbridge Income Fund (the “**Fund**”) on its ordinary units and the satisfaction of solvency and liquidity tests under the *Business Corporations Act* (Alberta). The Corporation targets to pay-out a high proportion of the cash it receives from the Fund, after retaining prudent reserves for contingencies and with the objective of providing a stable and predictable dividend stream, in the form of monthly dividends on the Common Shares. The Manager provides both management and administrative services to both the Fund and the Corporation. See “*Management Contract*”. Since the variable component of the Manager’s compensation (the incentive fee and performance rights) paid within the Fund structure, which includes the Fund, Enbridge Commercial Trust and Enbridge Income Partners LP (collectively, the “**Fund Group**”) is directly linked to the amount of cash distributions made to holders of units of the Fund Group, the Manager’s incentive fee has increased over the relevant five year period in direct proportion to increases in distributions during the same period, both from an increase in the per unit amount and in the number of units issued. Based on the design of these contractual arrangements and compensation programs, trends in the Manager’s compensation generally correlate more closely to cash distribution trends than to overall shareholder return trends.

Director Compensation

All of the Directors were also Trustees of ECT as at December 31, 2016. ECT only pays compensation to the ECT Trustees who are not officers, employees or consultants of Enbridge and the compensation received by such ECT Trustees for acting in the capacity of an ECT Trustee and as a Director of the Corporation for the year ended December 31, 2016 is set forth in the Annual Information Form of the Fund dated February 17, 2017 (“**Fund AIF**”) which may be viewed on SEDAR at www.sedar.com. Each Director, as an ECT Trustee (that is not an officer, employee or consultant of Enbridge), receives an annual retainer of \$120,000 from ECT. A travel fee of \$1,500 will be paid where applicable, but no additional fees will be paid for Board or Committee meetings. The ECT Board Chair (Mr. Roberts) receives an annual retainer from ECT of \$50,000, the ECT Audit, Finance & Risk Committee Chair (Mr. Waterman) receives an annual retainer from ECT of \$24,000, the ECT Safety & Reliability Chair (Mr. Fischer in 2016 and Ms. Cillis in 2017) receives an annual retainer from ECT of \$10,000 and the ECT Conflicts Committee Chair (Mr. Frank) receives an annual retainer from ECT of \$10,000.

Management Contract

Responsibility for the day-to-day management and general administration of the Corporation has been delegated to the Manager pursuant to a Management and Administrative Services Agreement dated December 17, 2010 (the “**Services Agreement**”) between the Corporation and the Manager. The Services Agreement provides that the Manager may delegate the performance of certain services to any Person, including affiliates of the Manager, without the prior written consent of the Corporation, provided that such delegation shall not relieve the Manager of the responsibility for the performance of the services. The Services Agreement provides that the Manager shall not: (a) charge or receive fees or expense reimbursements for the performance of services other than as provided for in the Services Agreement unless the prior written approval of a majority of the independent Directors is obtained; and (b) have the authority to enter into or commit to any transaction which, in accordance with applicable laws, requires the approval of the Shareholders or the Board, without first obtaining such approval.

The Services Agreement has an initial term until June 30, 2023 and is automatically renewed for additional successive five year terms unless the Manager provides at least 180 days written notice prior to the expiry of the initial term or renewal term of its intention not to renew the Services Agreement. The Services Agreement may also be terminated by either the Corporation or the Manager if the other is in default under the Services Agreement.

Provided that a fee arrangement exists between the Manager and the Fund, no fee is payable by the Corporation to the Manager in connection with the provision of services by the Manager under the Services Agreement. The Manager is providing administrative and general support services to the Fund pursuant to an Amended and Restated Administrative Services Agreement dated September 1, 2015 among the Manager, the Trustee of the Fund, the Fund and ECT and is also providing management and general administration services to ECT pursuant to a Management Agreement between the Manager and ECT which was amended and restated on September 1, 2015 (the “**Management Agreement**”). See “*Trustees, Audit Committee and Management – Management Contracts*” in the Fund AIF which can be viewed on SEDAR at www.sedar.com for a more detailed description of these agreements as well as other agreements relating to the provision of management services by the Manager and an affiliate of the Manager to the Fund and its subsidiaries.

Information relating to the directors and the executive officers of the Manager providing services to the Fund and its affiliates, including their names, provinces of residence, position with the Manager and principal occupation, is set forth under the heading “*Directors, Officers and Management – The Manager*” in the Annual Information Form of the Corporation dated February 17, 2017 (“**AIF**”). Enbridge owns all of the issued and outstanding shares of the Manager. Information concerning transactions or arrangements between the Corporation and Enbridge, its associates or affiliates is set forth under the heading “*Related Party Transactions*” in the annual financial statements, and under the heading “*Related Party Transactions*” in the MD&A of the Corporation for the year ended December 31, 2016. The disclosure referenced in this paragraph is incorporated by reference into this Circular and may be viewed on SEDAR at www.sedar.com.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

The only material interest, direct or indirect, of any informed person of the Corporation (as defined in National Instrument 51-102 *Continuous Disclosure Obligations*), any proposed Director of the Corporation, or any associate or affiliate of any informed person or proposed Director of the Corporation, in any transaction since the commencement of the Corporation’s most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Corporation or any of its subsidiaries, is as follows:

1. The Manager, a wholly-owned subsidiary of Enbridge, is responsible for providing management and administrative services to the Corporation, the Fund and ECT, and will receive compensation from the Fund and ECT for such services. No fee was paid by the Corporation to the Manager as a fee was paid by the Fund to the Manager. See the Fund AIF filed on SEDAR at www.sedar.com for disclosure of amounts paid by the Fund and ECT to the Manager.
2. On April 29, 2016, the Company completed a bought deal offering of an aggregate of 20,353,850 Common Shares at a price of \$28.25 per Common Share for gross proceeds of \$574,996,263 and a concurrent private placement to Enbridge of 5,056,150 Common Shares at a price of \$28.25 per Common Share for gross proceeds of \$142,836,238, which enabled Enbridge to maintain its 19.9% holding of Common Shares.

The address of Enbridge and the Manager is 200, 425 – 1st Street SW, Calgary, Alberta.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

There is no material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, by any Director or executive officer of the Corporation or proposed nominee for election as a Director of the Corporation or any associate or affiliate of such persons, in any matter to be acted upon other than the election of Directors.

AUDIT COMMITTEE

The disclosure required by National Instrument 52-110 *Audit Committees* (“**NI 52-110**”), in Form 52-110F1 is contained in the AIF under the heading “*Directors, Officers and Management – Audit Committee Disclosure*”, which may be viewed on SEDAR at www.sedar.com.

CORPORATE GOVERNANCE

The disclosure relating to the Corporation's corporate governance practices required by National Instrument 58-101 *Disclosure of Corporate Governance Practices*, in Form 58-101F1, is set out below.

The Board is committed to maintaining a high standard of corporate governance for the Corporation. The Board will assess the Corporation's governance policies and practices in light of regulatory initiatives in Canada that have been adopted to improve corporate governance, as well as the evolving standards and expectations for governance in the Canadian capital markets. While day-to-day management of the Corporation has been generally delegated to the Manager, the Board fulfills its responsibility for the broader stewardship of the Corporation through the structures, activities and procedures described in this section.

Board of Directors

All of the nominees for election to the Board are incumbent Directors. During the most recently completed financial year, the Board consisted of eight Directors, seven of whom were independent pursuant to the definition of independence set out in NI 52-110. The independent Directors were: Laura A. Cillis, Charles W. Fischer, Brian E. Frank, M. George Lewis, E.F.H. (Harry) Roberts, and Bruce G. Waterman and Catherine L. Williams. Mr. J. Richard Bird is not independent as he was the Executive Vice President, Chief Financial Officer & Corporate Development of Enbridge until December 31, 2014 and a senior executive officer of Enbridge until March 31, 2015. Enbridge is a principal Shareholder of the Corporation. Although Mr. Fischer and Ms. Williams are also directors of Enbridge, they are considered independent pursuant to the definition of independence set out in section 1.4 of NI 52-110. A Director is independent if he or she has no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a Director's independent judgment. Certain types of relationships are by their very nature considered to be material relationships and are specified in sections 1.4 and 1.5 of NI 52-110. Pursuant to the *Business Corporations Act* (Alberta), Mr. Fischer and Ms. Williams, as directors of Enbridge are required to disclose their interest and abstain from voting in respect of certain contracts and transactions or certain proposed contracts or transactions involving Enbridge and the Corporation.

Directorships

All of the current Directors are trustees of ECT. The ECT Board manages the business of the Fund, which is a reporting issuer in all of the Provinces of Canada, but does not have securities listed on a stock exchange or market. The following Directors were also directors of other reporting issuers (or the equivalent) as set forth below.

Name of Director	Name of Issuer	Stock Exchange Listing
J. Richard Bird	Bird Construction Inc. Enbridge Energy Management, L.L.C. Enbridge Energy Partners, L.P. (director of the general partner of Enbridge Energy Company, Inc.) Enbridge Pipelines Inc.	TSX NYSE NYSE N/A
Laura A. Cillis	Crescent Point Energy Corp. Enbridge Pipelines Inc. Solium Capital Inc.	TSX/NYSE N/A TSX
Brian E. Frank	Enbridge Pipelines Inc.	N/A
M. George Lewis	Enbridge Pipelines Inc. Ontario Power Generation Inc.	N/A N/A
E.F.H. (Harry) Roberts	Enbridge Pipelines Inc.	N/A
Bruce G. Waterman	Enbridge Pipelines Inc. Encana Corporation	N/A TSX/NYSE
John K. Whelen	Enbridge Energy Management, L.L.C. (management) Enbridge Energy Partners, L.P. (director of the general partner of Enbridge Energy Company Inc.) Enbridge Pipelines Inc.	NYSE NYSE N/A

The Directors have adopted a practice of meeting *in camera*, without the non-independent Director or any representatives of the Manager in attendance, as a routine part of each regularly scheduled Board meeting. In the most recently completed financial year, the Board of Directors held *in camera* sessions at each scheduled Board and Audit Committee meeting. All members of the Audit Committee are independent Directors and an *in camera* session is held at the end of each Audit Committee meeting, in which the independent Directors meet with separately with each of the internal audit services provider and the Corporation's external auditor and then alone as a committee.

Mr. E.F.H. Roberts, an independent Director, is the Chair of the Board. The Chair of the Board manages the affairs of the Board to achieve effective relations with Board members, Shareholders, stakeholders and the public, together with the Committees of the Board as constituted from time to time, the Manager, and representatives of the Fund.

Information about the Board and Audit Committee attendance record of each Director and Audit Committee member is included under “*Matters to be Acted Upon at the Meeting – Election of Directors*”.

Board Mandate

The Board has adopted Terms of Reference for the Board, the full text of which is attached to this Circular.

Position Descriptions

The Board has included position descriptions for the Chair of the Board and the Chair of the Audit Committee in the respective Terms of Reference for the Board and Audit Committee. A copy of the Terms of Reference for the Board is attached to this Circular and a copy of the Audit Committee Terms of Reference is attached as Appendix A to the AIF, which is filed on SEDAR at www.sedar.com. Both Terms of Reference may also be viewed on the Corporation’s website at www.enbridgeincomefund.com.

Although the President of the Corporation acts as the Chief Executive Officer of the Corporation (“**CEO**”), substantially all of the management responsibilities and duties of the Corporation have been delegated to the Manager under the Services Agreement, including the roles and responsibilities typical for a chief executive officer of a Corporation. As such, no written position for the CEO of the Corporation has been developed.

Orientation and Continuing Education

New Directors receive materials relating to the Corporation and the business of the Fund and may attend an orientation presentation to familiarize themselves with the Corporation, the Fund and their respective businesses, including current information on the corporate organizational structure, operations and strategy, risks, the current year business plan and financial information. New Directors are also provided with an opportunity to meet with the Manager and senior operations personnel of the Fund to ask questions in order to obtain a comprehensive overview of the Corporation and Fund’s governance, controls and management systems, structures, businesses, policies and procedures, as applicable. The Directors receive a Directors Manual that contains current general information about the Corporation, copies of the material contracts of the Corporation, as well as key policies, including disclosure and insider trading policies and the Terms of Reference for the Board, Audit Committee and individual Director.

As all of the Directors are ECT Trustees, they are familiar with the Fund’s business. As ECT Trustees, they receive regular operational and project updates from management, regular reports from the ECT Audit, Finance & Risk Committee, ECT Safety & Reliability Committee, ECT Conflicts Committee, regular updates relating to corporate and financial risks, IT and Human Resources, presentations from internal and external subject matter experts (which may also occur outside of formal board meeting times) on topics including operational, economic, strategic, financial, accounting, legal and governance matters relevant to the Fund as well as current news and topics relevant to the industry. ECT Trustees also attend an annual strategic planning session and may make periodic site visits of the Fund’s business operations. Each ECT Trustee has been provided with a Trustees’ Manual that contains general information about the Fund and its structure, copies of the Fund’s key policies including disclosure and insider trading policies, the Fund’s material contracts and the Terms of Reference for the ECT Board, each Committee of the Board and individual ECT Trustee.

Ethical Business Conduct

Since the Corporation does not itself carry on any active business operations, has no employees and has delegated the day-to-day management of the Corporation to the Manager, the Board has not adopted a written code of ethical business conduct. Under the Terms of Reference for the Board, the Directors explicitly assume responsibility for requiring that the Manager operate at all times within applicable laws and regulations and to the highest ethical and moral standards. All of the directors and officers of the Manager are employees of Enbridge, which has adopted a written code of ethical business conduct. A copy of this code has been filed by Enbridge on SEDAR at www.sedar.com. Enbridge monitors compliance with its code and provides a written report to the Directors confirming compliance. Further, all of the directors and officers of the Manager, as well as employees and contractors of Enbridge who provide operational and management services to the Fund’s businesses are subject to the Statement on Business Conduct adopted by the board of directors of Enbridge.

Pursuant to the *Business Corporations Act* (Alberta), Directors and officers must declare their interests in a material transaction or proposed material transaction involving the Corporation and Directors are precluded from voting on the resolutions to approve such transaction. Further, conflicted Directors may be excluded from any meeting held to consider such a transaction. If a proposed significant transaction involves Enbridge or an affiliate of Enbridge, the matter will be referred to the ECT Conflicts Committee, which

may constitute a special committee of independent Trustees to consider the proposed transaction and make recommendations to the Board as a whole. Please refer to “*Conflicts of Interest and Fiduciary Duties*” in the AIF and in the Fund AIF which have been filed on SEDAR at www.sedar.com.

Nomination of Directors

It is anticipated that the Board will be comprised of individuals who are also ECT Trustees and to the extent permitted under the ECT Trust Indenture and Articles of the Corporation, that all of the elected ECT Trustees (those who are not nominated or appointed by Enbridge Inc. to the ECT Board) will be appointed or proposed for election to the Board. The ECT Trust Indenture was last amended and restated as of March 1, 2017 and an amendment was made to the composition of the Nominating Committee, which is comprised of ECT Trustees who are not also employees of Enbridge. The Nominating Committee recommends nominees for election or appointment to the ECT Board as one of the ECT Trustees who is not appointed by Enbridge Inc. In the past, nominating committees were constituted as required. The Nominating Committee may engage an independent recruitment firm to locate suitable candidates. As part of the nominating process as well as the ongoing assessment process, the nomination committee, Manager and ECT Trustees (as applicable) consider the mix of skill sets and experience represented on the ECT Board, in relation to its effectiveness and the Fund’s needs. No predetermined mix of skill sets or experience is mandated; instead the process involves an ongoing assessment to determine the requirements at the time that vacancies or potential vacancies are identified. The Manager and the ECT Trustees have established an experience matrix that shows the ECT Trustees’ collective mix of experience in 13 categories that are considered important to the Fund’s business, and apply to succession planning and recruiting activities for the ECT Board. The categories are set out under the heading “*The Fund’s Governance Practices – Nomination of Independent ECT Trustees*” in the Fund AIF which has been filed on SEDAR at www.sedar.com.

Compensation

The compensation of the Directors is determined and paid in their capacity as ECT Trustees. As a result of governance changes at the Fund effective September 1, 2015, including changes to the composition of the ECT Board, the increased mandate of the ECT Audit, Finance & Risk Committee and the additional standing committees of the ECT Board, the Manager engaged an independent compensation advisory firm to review and provide recommendations for compensation of ECT Trustees. On March 1, 2016, based on such recommendations, the ECT Board approved increases to the annual and Chair retainers to be paid to the ECT Trustees, retroactive to October 1, 2015. See “*Executive Compensation – Director Compensation*”. The Manager generally reviews the compensation program for the ECT Trustees who are not officers, employees or consultants of Enbridge, including the Chairman and the chair of any standing committees, on an annual basis and will engage an independent compensation advisory firm at least biennially. The Manager evaluates known general industry marketplace practices and conditions, the roles and responsibilities of the ECT Board and also benchmarks the ECT Trustees’ compensation program in comparison with the programs of a suitable peer group. The Manager may also engage the services of an outside consultant to provide specific support in evaluating these factors. If changes are deemed appropriate, the Manager makes recommendations to the ECT Board regarding the ECT Trustee compensation program and, pursuant to the ECT Trust Indenture, the compensation program is to be approved by the ECT Board. The compensation for any special committee or *ad hoc committee* is determined at the time such committee is constituted.

The officers of the Corporation and of the Manager do not receive any compensation in respect of the services they provide to the Corporation. Their compensation is determined and paid exclusively by Enbridge in their capacity as employees of Enbridge and no portion is allocated or attributed to the services they provide to the Corporation. See “*Executive Compensation*”.

Other Board Committees

The Board does not have any standing committees other than the Audit Committee. It may from time to time establish ad hoc committees if the circumstances warrant.

Assessments

The Board conducts an annual survey of all Directors to assess the effectiveness of the Board as a group and the Audit Committee as a group. The assessment program also involves an individual peer assessment of each Director as well as an assessment of the Chair of the Board and of the Chair of the Audit Committee by their respective members. Each Director or Audit Committee member, as applicable, completes a written survey which is returned to the Corporate Secretary of the Manager, who compiles the results under the supervision of the Chair of the Board or Audit Committee, as applicable and the results are presented *in camera* to the members of the Board or Audit Committee, as applicable. Each Director will also receive his or her respective peer review.

Director Term Limits

As all of the Directors are also ECT Trustees and compensated by ECT, the Board has not adopted a policy relating to term limits. The ECT Board adopted an ECT Trustee Retirement Policy on May 5, 2008 which provides for mandatory retirement at the next annual meeting of unitholders of the Fund following an ECT Trustee attaining the age of 70, unless prior to reaching the age of 70 he or she has requested a two year extension and such extension has been unanimously approved by the other ECT Trustees then in office. In such case, the ECT Trustee may continue to serve until the first annual meeting of unitholders of the Fund following his or her 72nd birthday. A peer review must be completed in the 12 month period prior to the vote on the two year extension and an extending ECT Trustee is not eligible to be the Chair of the ECT Board or the Chair of any ECT Board committee.

Diversity Policy

The Board has adopted a written Diversity Policy (the “**Diversity Policy**”), which applies to the Board and the Manager relating to the identification and nomination/appointment of qualified individuals. The Diversity Policy recognizes that a diverse board and management will enhance decision making by utilizing differences in perspective, which is important for effective corporate governance and commercial success of the Corporation. The Diversity Policy provides that Board shall seek to fill vacancies by considering candidates that bring a diversity of background and industry or related expertise and experience to the Board, including professional experience, educational background, skills and knowledge, as well as diversity considerations such as gender, age, ethnicity, nationality and cultural background. In identifying candidates for appointment as senior management of the Manager, the Manager shall consider candidates based on the aforescribed criteria as well as merit. In addition, the Manager shall aspire to have at least one-third of its officer roles which provide services to the Corporation occupied by women.

Currently, one of the seven Directors or 14.3%, are women. Of the four executive positions, one is held by a woman (25%) and women hold two of the five (40%) officer positions in the Manager which provide services to the Fund and the Corporation. The Diversity Policy provides that the Manager will monitor the implementation of the policy and report to the Board on the achievement of the measurable objectives for promoting diversity. The Diversity Policy will be reviewed periodically.

The ECT Board has adopted a similar diversity policy and has adopted an aspirational target that one-third of the ECT Trustees that are not appointed by Enbridge be women, which is consistent with the aspirational target of Enbridge for its independent directors. The Board has determined that it is appropriate to be consistent with the aspirational targets set by both ECT and Enbridge, and has set an aspirational target that women represent at least one-third of the Directors who are not nominated or appointed by Enbridge. Enbridge is entitled to nominate one individual for election as a Director and if it elects to exercise its rights under the Special Voting Share, it may elect another Director. Therefore, two of the seven Director positions could be directed by Enbridge.

Enbridge also aspires to have at least one-third of senior management roles at Enbridge occupied by women. The officers of the Manager who provide services to the Corporation are determined solely by the Manager, a wholly-owned subsidiary of Enbridge. As such, the Board determined that it would be appropriate to be consistent with the Enbridge aspirational target and has set an aspirational target that at least one-third of the senior management roles in the Corporation will be held by women.

Note:

(1) Information relating to holdings of Common Shares is not within the knowledge of the Corporation or Manager and has been provided by each nominee, effective as at March 13, 2017.

The Board has adopted a majority voting policy whereby in any meeting where a nominee for director is elected with a greater number of votes withheld than voted in favour of his or her election, such Director shall immediately tender his or her resignation to the Chair of the Board. Within 90 days of the meeting, the Board (excluding the Director who tendered his or her resignation) will consider whether to accept the resignation and will accept the resignation absent exceptional circumstances. The decision of the Board will be promptly disclosed in a news release and if the Board does not accept the resignation, the news release must fully state the reasons for such decision. The policy does not apply to a nominee elected through the exercise of the Special Voting Share and only applies to an uncontested election, where the number of director nominees for election is the same or less than the number of director positions to be elected on the Board.

The persons designated in the enclosed form of proxy, unless instructed otherwise, intend to vote FOR the election of each of the nominees set forth above. Management does not contemplate that any of the nominees will be unable to serve as a Director. However, if that should occur for any reason prior to the Meeting, the persons designated in the enclosed form of proxy reserve the right to vote for other nominees in their discretion.

Ratification and Approval of the Shareholder Rights Plan

The Shareholder Rights Plan of the Corporation (“**Plan**”) dated as of December 17, 2010 was approved and adopted by Shareholders on May 9, 2011 and an amended and restated Plan dated as of February 10, 2014 was approved and ratified by Shareholders on May 5, 2014. The Board approved a further amended and restated Plan dated on February 15, 2017 (“**Amended Plan**”), which reflects recent amendments to the take-over bid regime adopted in May 2016 under Canadian securities legislation, as well as minor amendments to reflect current market practice. In particular the Amended Plan extends the permitted bid minimum period to 105 days (or such shorter period as permitted by the legislation) and amends certain definitions to align with Canadian securities legislation and current practice.

The Corporation believes that the Amended Plan preserves the fair treatment of Shareholders, is consistent with current best Canadian corporate governance practices and addresses institutional investor guidelines. The Amended Plan was not adopted in response any actual or threatened take-over bid or other proposal from a third party to acquire control of the Corporation. It does not reduce the duty of the Board to act honestly, in good faith and in the best interests of the Corporation, and to act on that basis if any offer is made for the Common Shares. The Amended Plan is not intended to and will not entrench the Board.

In order to continue in place, the Plan must be reconfirmed by Shareholders at every third annual meeting of the Corporation. Management recommends that Shareholders reconfirm the Plan by approving the Amended Plan.

Purpose of the Plan

The recent amendments to the take-over bid regime address some of the concerns that rights plans were originally designed to address, particularly as they relate to providing Shareholders and the Board with adequate time to consider and evaluate any unsolicited take-over bid for the Common Shares and to provide the Board with adequate time to identify, develop and negotiate value-enhancing alternatives, if considered appropriate, to any such unsolicited bid. The amendments also largely address the objective of enabling Shareholders to make informed and coordinated tender decisions.

However, the recent legislative amendments do not address the risk of a “creeping bid” (where a person may acquire a controlling position in a company in reliance on exemptions from the take-over bid rules, without having to make a take-over bid to all shareholders and without having to pay a control premium). The Board continues to believe that a rights plan is still in the best interests of the Corporation to provide protection against certain actions that could result in unequal treatment of Shareholders under Canadian securities laws, including the following: (i) a person could acquire effective control of the Corporation under one or more private agreements at a premium to the market price, resulting in a change of control transaction without the payment of a premium to all Shareholders; (ii) a person could slowly accumulate shares of the Corporation through stock exchange acquisitions over time, resulting in an acquisition of effective control without payment of fair value for control; (iii) a person seeking to acquire control of the Corporation could enter into agreements with Shareholders such that they hold more than 20% of the outstanding Common Shares, irrevocably committing such Shareholders to tender their Common Shares to a take-over bid, the effect of which would be to significantly hamper, if not terminate, any reasonable prospect for the Board to run a value enhancing auction process; and (iv) it may be possible for a person to engage in transactions outside of Canada without regard to the take-over bid protections of Canadian securities laws.

Summary of Amendments to the Plan

The Amended Plan includes a number of minor amendments made to clarify certain provisions and to reflect current market practice. The more substantive amendments are as follows (please refer to the definitions in the next section):

- the minimum period that a take-over bid must remain open for the bid to constitute a “Permitted Bid” that does not trigger the separation of the Rights under the Plan was amended from 60 to 105 days (or such shorter period as permitted by legislation) to align with the amended take-over bid legislation;
- the minimum period that a “Competing Permitted Bid” must remain open was amended to the applicable period required by the amended take-over bid legislation;
- the definition of “Exempt Acquisitions” was expanded to include amalgamations, plans of arrangement and similar transactions having the requisite Board and Shareholder approvals;
- the definition of a permitted “Lock-up Agreement” was amended so as to enable a Locked-up Shareholder to withdraw from the lock-up in certain circumstances where the Subject Bid is for less than 100% of the Common Shares held by Independent Shareholders and the alternative take-over bid or other transaction is for a greater number of Common Shares; and
- amendments were made to permit book-entry form registration of Rights.

Terms of the Plan

The following is a summary of the principal terms of the Plan, as amended, which is qualified in its entirety by reference to the text of the Amended Plan which may be viewed on the Corporation's website at www.enbridgeincomefund.com. If the Amended Plan is approved by Shareholders, it will be filed on SEDAR at www.sedar.com.

Term

The Plan provides that to continue, it must be reconfirmed by a majority vote of Shareholders at every third annual meeting following the effective date of the Plan. Where any such approval is not obtained, the Plan will then cease to have effect.

Issue of Rights

On the effective date of the Plan, one right (a "**Right**") was issued and attached to each Common Share outstanding and one Right has been and will continue to attach to each Common Share subsequently issued.

Rights Exercise Privilege

The Rights will separate from the Common Shares and will be exercisable ten trading days (the "**Separation Time**") after a person has acquired, or commenced a take-over bid to acquire, 20% or more of the Common Shares, other than by an acquisition pursuant to a take-over bid permitted by the Plan (a "**Permitted Bid**") or an acquisition pursuant to a distribution by prospectus, private placement or securities exchange take-over bid of securities of the Corporation that have not been previously distributed (a "**Treasury Issue**") or an acquisition pursuant to an amalgamation, plan of arrangement or similar transaction (an "**Exempt Acquisition**"). The acquisition by any person (an "**Acquiring Person**") of 20% of the Common Shares, other than by way of a Permitted Bid, Treasury Issue or Exempt Acquisition, is referred to as a "Flip-in Event".

Any Rights held by an Acquiring Person will become void upon the occurrence of a Flip-in Event. Ten trading days after the occurrence of the Flip-in Event, each Right (other than those held by an Acquiring Person) will permit the purchase of such number of Common Shares equal to six times the market price of a Common Share on payment of the exercise price (defined to be three times the market price of a Common Share).

The issue of the Rights is not initially dilutive. Upon a Flip-in Event occurring and the Rights separating from the Common Shares, reported earnings per Common Share on a fully-diluted or non-diluted basis may be affected. Further, those holders of Rights who do not exercise their Rights upon the occurrence of a Flip-in Event may suffer substantial dilution.

Grandfathering Provision

Under the Plan, Enbridge as well as any successor to Enbridge and their respective Affiliates are exempted from the definition of an "Acquiring Person" and, accordingly, may hold any number of Common Shares at any time without triggering the Plan.

Lock-up Agreements

A bidder may enter into lock-up agreements (a "**Lock-up Agreement**") with Shareholders (a "**Locked-up Shareholder**") whereby Locked-up Shareholders agree to tender their Common Shares to the take-over bid (the "**Subject Bid**") without a Flip-in Event occurring. Any Lock-up Agreement must permit the Locked-up Shareholder to withdraw their Common Shares from the lock-up to tender to another take-over bid or support another transaction that will provide greater value to the Locked-up Shareholder than the Subject Bid where the greater value offered exceeds by as much as or more than a specified amount of the value offered under the Subject Bid (provided the specified number is not greater than 7% of the value offered under the Subject Bid). A Lock-up Agreement must also permit the Locked-up Shareholder to withdraw their Common Shares from the lock-up to tender to another take-over bid or support another transaction offering to acquire a greater number of Common Shares if the Subject Bid is for less than 100% of the Common Shares held by Independent Shareholders (as defined below) and the greater number of Common Shares to be purchased under such other take-over bid or transaction exceeds by as much as or more than a specified number the number of Common Shares offered to be purchased under the Subject Bid (provided that such specified number is not more than 7% of the number of Common Shares offered to be purchased under the Subject Bid) and provided that the value of the consideration per Common Share offered under such other take-over bid or transaction is equal to or greater than the value offered under the Subject Bid. For purposes of clarity, a Lock-up Agreement may contain a right of first refusal or require a period of delay (or other similar limitation) to give an offeror the opportunity to match a higher price in another transaction as long as the Locked-up Shareholder can accept another bid or tender to another transaction.

The Plan also provides that any Lock-up Agreement must be made available to the Corporation and the public. Further, no “break up” fees, “top up” fees, penalties, expense reimbursement or other amounts can be payable by a Locked-up Shareholder under a Lock-up Agreement if such Locked-up Shareholder: (a) fails to deposit or tender its Common Shares to the Subject Bid; or (b) withdraws Common Shares previously tendered to the Subject Bid in order to deposit such Common Shares to another take-over bid or support another transaction that exceeds in aggregate the greater of: (i) 2.5% of the value payable under the Subject Bid; and (ii) 50% of the amount by which the value received by a Locked-up Shareholder under such other take-over bid or transaction exceeds what such Locked-up Shareholder would have received under the Subject Bid.

Certificates and Transferability

Prior to the Separation Time, the Rights are evidenced by a legend imprinted on certificates for the Common Shares and are not transferable separately from the Common Shares. From and after the Separation Time, the Rights may be evidenced by Rights certificates or in book entry form and will be transferable and tradable separately from the Common Shares.

Permitted Bid Requirements

A take-over bid will not trigger the Plan if it is a Permitted Bid or Competing Permitted Bid.

The requirements for a Permitted Bid include the following:

- (a) the take-over bid must be made by way of a take-over bid circular;
- (b) the take-over bid must be made to all Shareholders;
- (c) the take-over bid must be outstanding for a minimum period of 105 days, or such shorter minimum period as provided for in National Instrument 62-104 *Take-over Bids and Issuer Bids* (“**NI 62-104**”);
- (d) Common Shares tendered pursuant to the take-over bid may not be taken up prior to the expiry of the 105-day period (or applicable shorter period) and then only if at such time more than 50% of the Common Shares held by Shareholders, other than the bidder, its affiliates and persons acting jointly or in concert and certain other persons (the “**Independent Shareholders**”), have been tendered to the take-over bid and not withdrawn; and
- (e) if more than 50% of the Common Shares held by Independent Shareholders are tendered to the take-over bid within the 105-day period, the bidder must make a public announcement of that fact and the take-over bid must remain open for deposits of Common Shares for not less than 10 days from the date of such public announcement.

The Plan allows for a competing Permitted Bid (a “**Competing Permitted Bid**”) to be made while a Permitted Bid is in existence. A Competing Permitted Bid is a take-over bid that is made after a Permitted Bid has been made but prior to its expiry, termination or withdrawal and that satisfies all of the requirements of a Permitted Bid as described above, except that no Common Shares can be taken up or paid for pursuant to the take-over bid prior to the close of business on the last day of the minimum initial deposit period that such take-over bid must remain open for deposits of securities thereunder pursuant to NI 62-104 after the date of the take-over bid constituting the Competing Permitted Bid.

Waiver

The Board, acting in good faith may, prior to the occurrence of a Flip-in Event, waive the application of the Plan to a particular Flip-in Event (an “**Exempt Acquisition**”) where the take-over bid is made by a take-over bid circular to all holders of Common Shares. Where the Board exercises the waiver power for one take-over bid, the waiver will also apply to any other take-over bid for the Corporation made by a take-over bid circular to all holders of Common Shares prior to the expiry of any other bid for which the Plan has been waived.

Redemption

The Board, with the approval of a majority of the votes cast by Shareholders (or holders of Rights if the Separation Time has occurred) voting in person or by proxy at a meeting duly called for that purpose may redeem the Rights at a price of \$0.001 per Right. Rights will be deemed to have been redeemed by the Board following completion of a Permitted Bid, Competing Permitted Bid or Exempt Acquisition.

Amendment

The Board may amend the Plan with the approval of a majority of the votes cast by Shareholders (or the holders of Rights if the Separation Time has occurred) voting in person and by proxy at a meeting duly called for that purpose. The Board without such approval may correct clerical or typographical errors and, subject to approval as noted above at the next meeting of the Shareholders (or holders of Rights, as the case may be), may make amendments to the Plan to maintain its validity due to changes in applicable legislation.

Duties of the Board

The Plan will not detract from or lessen the duty of the Board to act honestly and in good faith with a view to the best interests of the Corporation. The Board, when a Permitted Bid is made, will continue to have the duty and power to take such actions and to make such recommendations to Shareholders as are considered appropriate.

Exemptions for Investment Advisors

Investment advisors (for fully managed accounts), trust companies (acting in their capacities as trustees and administrators), statutory bodies whose business includes the management of funds and administrators of registered pension plans acquiring greater than 20% of the Common Shares are exempted from triggering a Flip-in Event, provided that they are not making, or are not part of a group making, a take-over bid.

Form of Resolution

Shareholders will be asked to consider, and if deemed advisable, approve the following ordinary resolution:

“BE IT RESOLVED THAT the Amended and Restated Shareholder Rights Plan Agreement between the Corporation and CST Trust Company, as Rights Agent, dated as of December 17, 2010, as amended and restated effective May 5, 2014 and as further amended and restated by the Board on February 15, 2017, be and is hereby approved, ratified and confirmed.”

OTHER BUSINESS

Management is not aware of any other business to come before the Meeting other than the matters referred to in the Notice of Meeting. However, if any other matter properly comes before the Meeting, the accompanying form of proxy confers discretionary authority to vote with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters that may properly come before the Meeting.
